Research conducted to obtain a doctoral degree is the highest level of research in academia. Our doctoral programme aims to produce researchers for universities, for employment in non-research industries, including government and private sector.

The purpose of the doctoral programme is to educate students who could make essential contributions to relevant fields through rigorous academic research that influences practice.

**Strengths of the programme:**

- ➔ **The best faculty and visiting professors from four partner universities: RISEBA, BA School of Business and Finance, SSE Riga and Kaiserslautern University of Applied Sciences**

- ➔ PhD thesis supervisors from international environment – international professors
- ➔ Flexible and comfortable course schedule for practising researchers
- ➔ Individual approach and studies in small groups
- ➔ A diverse mix of students from various business and research fields

## About Latvia

Latvia, located on the shores of the Baltic Sea, offers a unique blend of high-quality education, affordability, and vibrant multiculturalism. This country offers excellent education at comparatively low tuition fees and living costs, making it an attractive destination. The welcoming atmosphere encourages a diverse international student community, with abundant opportunities for research, internships, and post-study work. Latvia's rich culture, diverse landscapes, and complex history make it appealing for study, while it focus on innovation, technology, and sustainability also. Whether you're from the East or West, North or South, Latvia offers a truly unique environment where traditions from around the world converge, making it a pearl among the Baltic States.

## BA School of Business and Finance (BASBF) is a public

Latvian higher education institution with 30 year experience, which offers professional bachelor's, master's and doctoral study programmes at all levels of the financial system and business that are necessary for entrepreneurship and management directions.

BA School of Business and Finance studies and managerial orderliness confirm ECTS' mark of distinction, the Investor in Excellence quality management system certificate, and the Scottish Qualifications Authority (SQA) accredited certification center. In 2022, BA School of Business and Finance (BASBF) had been awarded a second year in a row with three Palmes of Excellence by EDUNIVERSAL Ranking Agency.
